

## 210x210 Landscape Flyers

Finished Size: 210mm x 210mm

Size With Bleed: 216mm x 216mm

### **Bleed Area**

You will need to extend your design to fill the bleed area. This area will be trimmed to make sure you don't have any unwanted white lines.

### **Cut Line**

This is where we aim to cut your design to the finished size. Any part of your design placed outside this area will be cut off.

### **Safe Zone**

The safe zone is 3mm inside of the cut line. Make sure all important elements and text are kept within this area.
