Finished Size: 210mm x 105mm

#### **Bleed Area**

You will need to extend your design to fill the bleed area. This area will be trimmed to make sure you don't have any unwanted white lines.

#### **Cut Line**

This is where we aim to cut your design to the finished size. Any part of your design placed outside this area will be cut off.

#### **Safe Zone**

The safe zone is 3mm inside of the cut line. Make sure all important elements and text are kept within this area.
